

5 STEPS

to reaching your untapped potential through the

Leadership Institute

Do you long to be equipped with the ability to:

- ✓ Lead and manage with composure, agility, confidence, and competence... regardless of the situation
- ✓ Build, inspire and empower your team
- ✓ Communicate effectively with any audience in a variety of settings
- ✓ Navigate change

Are you tired and overwhelmed, stressed by the pressures of looming deadlines, increasing workload, ever changing demands, uncertainty, volatility and the constantly changing environment?

STEP 1 Invest in Self-Development

The hardest step is taking the leap to invest in yourself and Enroll. This is making a commitment to dedicating the time and energy into self-development to become the leader you want to be.

STEP 2 Self-Discovery

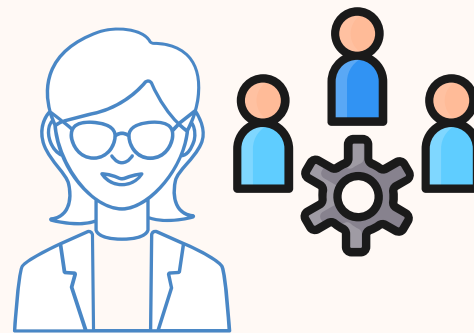

Learn your strengths and how to work and lead in your strength zone, understand the impact of "how you show up", learn to lead yourself first, develop your leadership growth plan .

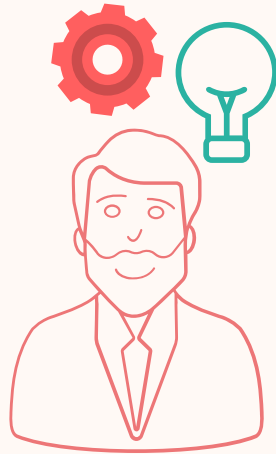

STEP 3 Develop Your Strategy

The Leadership Institute will guide you in learning to lead through resistance and change, to connect and communicate more effectively and to identify issues with your team that impact trust. You will develop an action plan to set the stage, tone and culture for a results-driven team.

STEP 4 Dig Even Deeper into How you Lead

Discover how to measure your Emotional Intelligence and the impact on your leadership. Learn what attributes to a high-performing team and how to identify team member strengths and weaknesses to cultivate a we-opic team. Apply the strategies learned throughout the Leadership Institute to develop the leaders around you.

STEP 5 Reap the Rewards of a Wholistic Leader
